eugn.me • linkedin.com/in/eugenebelokurov • eo.belokurov@gmail.com • +44 7903 175636 • London, UK

Product Designer who codes. 3+ years of experience in design and a total of 6 years at B2B SaaS startups. I design data-driven web and mobile products. BSc and MSc in Computer Science.

Skills

- Tools: Figma (incl. design systems) • AI prototyping tools (V0, Lovable etc.) • Pen and paper • Front-end stack (HTML, CSS, JavaScript, React) • Data analytics tools (Tableau, Amplitude, GA) • Jira
- Capabilities: Prototypes • Wireframes • User research (150+ user interviews conducted) • Usability testing • Interface guidelines (iOS, Android, Web)

Work experience

Product Designer at freelance Jan 2024 – present

Working with early-stage startups: quick prototyping to test product ideas and 0→1 product delivery.

Product Designer at Zipsale • (<10 employees) Mar 2023 – Dec 2023

SaaS startup automating inventory management for resellers. I was part of a cross-functional team.

- Led new product launch from concept to delivery: conducted 20+ user tests, created wireframes, defined engineering tasks, and oversaw implementation.
- Achieved 10% MRR increase within 6 months by shipping 10+ data-driven features based on user insights.
- Launched influencer program, driving 50% of new paying users.

Co-founder and Product Designer at fishlook • (<10 employees) Apr 2021 – Oct 2023

B2B marketplace for fish traders. 12,000 MAU with 3x growth rate YoY. I led the product strategy.

- Defined product strategy via 20+ stakeholder interviews and user research analysis.
- Built cross-functional team of 2 engineers, 1 designer, 3 content managers to speed up delivery.

Product Manager at Osome • (51-200 employees) Sep 2020 – Jun 2021

A UK-based B2B fintech startup providing accounting services for entrepreneurs. I led an agile team of 7.

Product Manager at pik.pro • (51-200 employees) Jun 2019 – Jul 2020

B2B construction industry startup. 5,000+ construction workers used our product daily.

Product Analyst at ivi; Part-time Intern at McKinsey&Co Earlier

Extra activities

Expert on a UX design course at Yandex Practicum Nov 2021 – Jan 2023

The leading educational technology companies in Eastern Europe. The company had revenue of £48m/y.

- Created 20 lessons on topics of metrics, product analytics, and business models in a team with an editor.

Lecturer on product management topics at GeekBrains Dec 2020 – Mar 2021

Leading edtech start-up with revenue of £30m/y. GeekBrains helps people get their first job in tech.

- Held 28 lectures and seminars on topics of metrics for 100+ students in total.

Education

BSc and MSc in Computer Science at Moscow Institute of Physics and Technology Sep 2012 – Jul 2018

- Then-Nº72 in the world in Computer Science according to Times Higher Education Rankings.
